

RETURNS DOCUMENT DECONTAMINATION DECLARATION

To fulfil the legal regulations for the protection of the environment and our staff, we have to make sure that returned devices which had contact with liquids or bulk goods can be handled without danger.

The compliant / re-shipment can be operated quickly and without any further questions if the following points are fulfilled:

- You have got a returns permission number from RECHNER Sensors.
- Every device must be delivered with a completed form.
- The device must be cleaned and delivered in a safety package, to avoid damages on the unit.
- If the device was in contact with a critical media, a safety data sheet of the media must be fixed on the cover of the package.
